Re: United States v. Michelle Foley, 18 Cr. 521 (VM)

Dear Judge Marrero:

This matter is before the Court on alleged violations of supervised release ("VOSR") in the above-referenced case.

The defendant was arrested and presented on a single specification before Judge Katharine H. Parker on October 23, 2023. On December 21, 2023, the United States Probation Office filed an amended violation report adding a second specification to the same alleged VOSR. On January 17, 2024, the Court issued an order explaining that it had received a letter from the defendant requesting substitution of counsel. On January 29, 2024, on the Court's referral, the parties appeared before Judge Robert W. Lehrburger for a substitution-of-counsel proceeding at which the defendant, who received the amended violation report through counsel on or around December 21, 2023, was also apprised orally of the additional specification described therein. Substitute counsel were also appointed at this January 29 proceeding and are copied on this letter.

Judge Lehrburger set a March 1, 2024, control date for the parties to appear before Your Honor for continued proceedings in this matter. The parties have conferred with themselves and with the Court's law clerk and respectfully request that the next proceeding before this Court be set instead for March 15, 2024.

Request GRANTED.

The above-referenced status conference is hereby adjourned to March 15, 2024 at 9:30 AM.

SO ORDERED.
